Born in 1988 the composer, multi-instrumentalist, producer, sound engineer Raúl Vázquez is a new talent in the North of Spain, he came to share his own vision of the Musical Art.

After the work in different group projects, with four long plays and two soundtracks, Raúl Vázquez, starts a new musical adventure that will finish in “**SYNESTHESIA**”. A serious album, with five songs that go around different sound landscapes and build a new auditive experience. Five tracks full of progressive eclecticism, classic elements and experimental mysticism in a cared production.

It was recorded in different moments of the year 2017. There were involved six professional musicians on it, directed by Raúl Vázquez, who take the control of all the process in need for the album building: composition, recording, edition, mixing, and mastering.

The design of the album was made by Idalia González, who already worked with Raúl Vazquez in another projects like “**Karmagenesis**”, “**Echoing**” y “**Guernica (Soundtrack)**”

This new work comes with a video from the first single of the album "**GUERNICA**". In a natural landscape, Raúl Vázquez makes us dream with his classic guitar and his cello, in the most intimate version of himself.

Nowadays, Raúl Vázquez is working hard in his tour "**SYNESTHESIA**". On it, he will fly helped only by his instruments and a great audio-visual background.
